Mary's Star

Darlene Kalimon

Skill Level: All

February 4

Saturday ~ 1:00pm – 4:00pm

This striking quilt was the project at our fall Quilters Day Out. We decided to share it with everyone who couldn't attend. You will be amazed at the piecing technique. The design was inspired by a picture of a quilt created just before the beginning of the modern quilt revival. The proportions and technique are different, but the piece would not exist if not for the earlier work. You will work on a 74 1/2" x 74 1/2" quilt, but it is easy to change the size by adding more or fewer blocks.

Fee: \$20.00

This mini wall hanging caught Kathie's eye because of the growing popularity in Adult Coloring. (which she is a big fan of!). All you need is a rainbow of left-over 1 1/2" strips and you can create this whimsical quilt with foundation paper piecing. Join Kathie to learn how to create this little gem.

Folded Log Cabin

Darlene Kalimon

Skill Level: All

May 6 and 20

Saturday ~ 1:00pm – 4:00pm

Darlene is excited to offer this class because Log Cabin quilts top her all time favorite list! They are so classic, cozy and comfy. Years ago she and her Mom went crazy making folded log cabins. She sleeps under one made in 1985 (which still doesn't have backing). Recently, Darlene found the perfect book, "Folded Log Cabin Quilts" by Sarah Kaufman, to teach this technique. The technique taught in Sarah's book is different from the ones Darlene did in the past. It is much easier. Strips are sewn to a foundation square, eliminating the need for batting. This also means the quilt isn't quilted. In class you will work on a wall hanging - bet you have the perfect spot for this new version of a timeless favorite.

Fee: \$33.75 (includes a \$26.95 book)
