

# Gathering with Friends

## New Club! ~ EPP Club

January 20 -, February 17 -, March 17 -,  
April 21 -, May 19 - and June 23  
Friday ~ 10:30am

The English Paper Piecing craze shows no signs of letting up here at Quilters Corner.

If you are a fan, or just wonder what all the fuss is about, this new group may be a perfect fit. During each session you will explore basic technique, review patterns from different designers, enjoy presentations by guest instructors and actually stitch a variety of English Paper pieced shapes and projects. The New Hexagon perpetual calendar will be used as the reference for this exciting group - there are so many blocks to explore - you are going to have a marvelous time!

Fee: \$6.00 per session

## Simple Whatnots

January 26, February 23, March 30, April 27, May 25 and June 29  
Thursday ~ 10:30am or 7:00pm

Designer Kim Diehl is known for her marvelous fabric designs for Henry Glass and her incredible patterns. Her books include instructions for large quilts, while her love of small quilts plays out in a completely different way. The tiny treasures are shared with members of the Simple Whatnots Club. Each series offers a range of designs featuring intricate looking (but honestly, very manageable!) piecing and often a little touch of appliqué. In January we will share the last piece in series 5 and February will see the beginning of series 6. The small quilts, and larger Journey's End sampler (find details in the block-by-block section of this class schedule), will fill the coming year with many hours of pleasant stitching - we hope you can join us!

Fee: \$6.00 per session (*includes a new pattern each session*)

## Christmas Club

February 15, March 15, April 19, May 17 and June 21  
Wednesday 10:30am

Several of us (all members of our 2016 Christmas Club) had a very unusual experience this Christmas - our handmade gifts were finished before the 25th! The members had such a marvelous time, and accomplished so much over the course of the year, that they begged us to make the group part of our 2017 schedule. Once again we will share projects from a tremendous book focused on gifts (items from quilts, to table pieces, kitchen items and totes are included in the book) and additional gift projects at every session. We even share a little gift with members each month - this group truly made my holiday far more enjoyable! Do you want to be ready in 2017? This works - we promise!

Fee: \$5.00 per session (*booklet required for club meetings*)

## New Club! ~ Fabric Fanatics

January 19, February 16, March 16, April 20, May 18 and June 22  
Thursday ~ 7:00pm

We're not sure if you noticed, but we seem to get in a new shipment of fabric almost every day! Maureen has noticed it's becoming harder and harder to answer the question, "So what's new since last time I was here?" Her response to the dilemma - why, a new club, of course! The Fabric Fanatics will meet once a month. Each meeting will begin with a walking tour of the shop floor (to ooh and aah over the new fabrics for the month). There will be project ideas, lots of inspiration, pattern reviews, guest speakers to demonstrate new techniques and snacks. At the first meeting you will receive a fat quarter from a new fabric line to be included in a project (yes, any project you would like) during the month. If you bring your project for show and tell the next month, you get another new fat quarter! We hope to keep you up-to-date, motivated and inspired for your fiber-filled journey, so why not join the fun?

Fee: \$5.00 per session or introductory special - \$25.00 for the year - 10 sessions

## Barb and Friends

February 2, March 2, April 6, May 4 and June 1  
Thursday ~ 7:00pm

This crew always has a blast working on a progressive quilt, sharing food and laughter, and inspiring one another's creativity. The next quilt they will be creating is Mid Winter Blues by Whirligig Designs - a stunning medallion style piece, which can be made in one of three sizes - 103" square, 68" square or 52" square. By the end of the year, you will not only have a finished top, but friends and memories to last forever!

Fee: \$16.00 to register and \$8.00 per session (*includes instruction and patterns*)
