

## Game Day Super Sale!

Sunday ~ February 5th ~ 12:00pm-5:00pm

I know football is pretty darn important around these parts, but isn't fabric worth a little end zone style celebration too?! This sale is truly super - every in-stock, regular price item will be 25% off on the 5th of February! Make your game plan, and then head to the shop - the crowd will be almost as thick as the one in the stadium, but it's worth every minute to celebrate a fabric "score"!

## Beguiling Bag

Barb Hudak

Skill Level: All

February 11

Saturday ~ 10:30am - 2:00pm

We all know that Barb loves to make bags and purses. She also loves to work with Sara Lawson's patterns and books. Sara's new book "Windy City Bags" has twelve fabulous bags and instructions on structure, details and embellishment to help make your bags successful. The second project Barb is making from this book is "Beguiling". The bag is full of professional looking details like side panels, top zipper, plus a flap closure. Even with all it's good looks, the bag is small (10" x 6 1/2" x 3") enough to carry on your shoulder and put a swing in your step... because you made the wonderful bag for yourself!

Fee: \$22.50

Donna Robinson has created a wonderful new book for her 3-Yard Quilts series. This time she wanted to focus on color and design, rather than focusing heavily on the prints in the fabrics making up the quilts. She realized she was taking a more modern approach to these quilts and "Modern Views with 3-Yard Quilts" was born. The booklet includes eight bold pieced designs that can be made with three 1-yard cuts of fabric. That yardage even includes borders and binding for the throw size quilts! One of my favorite parts of the book is the enlarging instructions. Yes, this time you will find fabric requirements, diagrams and cutting diagrams for twin and queen/king size versions of the patterns. Donna's directions and diagrams are straightforward - the fabrics are first assigned a number and then referred to by the number throughout construction. These pieces will make fantastic gifts - lots of style, yet simple to construct! We have two done already (be sure to look for them) and more are on the way.

Book \$15.99

Are you a fan of Tula Pink? How about Angela Walters? You're not going to believe it - they've teamed up for a new book! "Quilt with Tula & Angela" is not to be missed. You will find 17 Tula Pink quilt designs (plus fabric selection pointers from Tula for each!) and 47 quilting motifs from Angela (each with diagrams for the stitching pattern!). The quilts are shown in beautiful lifestyle shots and straight on - catching the glorious colors and fine quilting details. If a book is the sum of the small details, this one is perfect. You will find well written directions and oodles of illustrations for every single project. Where to begin is going to be the only question you are left with!

## 4-4-U Day

Sunday ~ June 4th ~ 1:00pm

We like to refer to our stacks of fat quarters as pieces of quilters candy. The 18"x22" chunks are the perfect "sweet" to have in abundance. There are so many patterns out there, for everything from full sized quilts to bags, wallets, toys and more, that call for nothing more than a little stack of these goodies, so why not stock up? On this Sunday, the 4th, we will be holding our annual 4-4-U Day. We will offer a huge selection of our beautifully coordinated four fat quarter sets for only \$4.44 each! As a bonus, you will receive ideas for putting the little bundles in use and a free 4-4-U that afternoon! Yummy!

Fee: \$5.00 (please note - registration ends May 24th )
