The weather in our part of the world can turn from lovely to lousy in just a few minutes! If conditions seem questionable please call the shop before setting out (if the phone is not answered please wait to visit!). We try to let you know about weather closings via Facebook and our online news, but if power is an issue that may not be possible!

Class registration information ~

You may register for Quilters Corner classes in the shop, by mail, or over the phone. Class fees are due at the time of registration. When your fee is paid you will be given a supply list created by the teacher for the class in which you have enrolled. Classes not meeting minimum enrollment will be canceled by the shop at least three days in advance (and your fee will be returned). Refunds will be offered to students who must cancel when we are contacted at least one week prior to the start of class. The shop classroom is in the rear of the building and is accessed through a door at the far side of the back lot.

Several months ago we discovered our favorite beginning quilting book is no longer being published. After a bit of panic we found ourselves at a "Crossroads" (figuratively and literally). Our refreshed program features a new booklet and quilt project (Alex Anderson's 65 1/2" x 65 1/2", Crossroads!) and comprehensive, introductory instruction – everything you need to know to join the quilter world! We will cover fabric selection, the tools needed, hand and machine piecing, quilting and finishing. Even if you have never touched a needle and thread, you'll feel right at home.

Fee: \$59.50 (includes a \$14.95 booklet)

Utility Quilting

Sue Blayney

Skill Level: All

February 23

Thursday ~ 6:30pm – 8:30pm

Sue loves handwork! A patient sister-in-law spent many hours teaching her basic stitches and she was hooked. Now she gives every new handwork technique a try. She loves utility stitch quilting because of the bold and unique quilting stitches using pearl cotton thread that add so much to a project. It's a great way to quilt pillows, baby quilts, and other small projects. The book "Utility Quilting", included in your class fee, will also help you design borders for your next piece.

Fee: \$37.50 (includes a \$27.95 book)
