Glazed Donuts

Laura Soles

Skill Level: Intermediate

April 22

Saturday ~ 11:00am – 3:00pm

Hexagons, half hexagons and triangles make up this yummy Jaybird quilt design. Using fat quarters and the Hex-n-More ruler, the quilt is a dream to sew. Jaybird usually presses all seams open, but Laura figured out how to press all the seams in the block to one side. That makes matching seams and sewing just a bit easier. Yippee!! And yes a chocolate frosted donut was consumed during construction of the sample table topper. With the name Glazed Donuts - how could one resist?! Stay tuned, Laura is now working on a scrappy lap size version.

Fee: \$33.00 *(includes a \$10.00 pattern)*
