

Reflections - Logan's Crossroad ~ Start date - February 18th

We are terribly excited to be able to share this new quilt from Jo Morton and Border Creek Station. The Moda fabrics, by Jo, are inspired by her antique quilt collection. The warm cream, tan, brown, pink and blue designs are small in scale - perfect for the stunning 94" x 94" quilt designed by our friends at Border Creek. This is a 7 month series - pick up your pattern each month, stitch the section and you will be heading toward the finish come the end of summer!

Pattern fee: \$5.00 per month, or \$25.00 when paid in full when registering

Robin's Nest ~ Start date - February 4th ~ 12:00pm

This intricate 70" x 70" quilt is a true masterpiece. Over the course of eight sessions, with Ruth Ann's help, you will learn all the different techniques required to construct the quilt. Ruth Ann's sample showcases lovely historic style fabrics in deep reds, blues and greens, along with expertly executed traditional piecing, English Paper piecing and appliqué.

Fee: \$10.00 per session, or \$60.00 when paid in full when registering

Please note - this quilt requires pattern, English Paper Piecing papers and templates from Somerset Patchwork - the price for the complete set is \$120.00

Roundabout ~ Start date - March 18th ~ 10:00am

"Take the Roundabout" is a new design from Pat Sloan. The quilt features piecing and machine appliqué worked in her new Sunday Drive fabric collection. As Pat explains, the collection is inspired by the joy found in the change of pace offered by a Sunday drive. Thus, bright colors and whimsical prints make up the 58" x 72" quilt. This quilt will be offered as a three session series designed to teach accurate piecing (because everything is easier once you get that conquered!) and machine appliqué. You will be able to use fabrics like those in Pat's version, or select your own fabrics with the help of information from our first meeting.

Fee: \$34.00 - includes pattern and instruction on March 18th, April 15th and May 20th

2016 QC Block of the Month Show & Tell

Sunday ~ February 19th ~ 1:00pm

We know you are hard at work on the wonderful Block-of-the-Month projects we offered in 2016 at Quilters Corner. Finish (no need to have your piece quilted and bound - a top works for us!) in the next few weeks and you will be ready to join us on February 19th. You will be amazed at the number, and variety, of quilts that are shared that day. In many cases the makers started with the same kit, yet the finished pieces are completely different. Let us know if you plan to share your work - there are little gifts to thank you for sharing and to reward your efforts!

Please note - pre-registration for Show and Tell is required by February 15th.
