

2017 Quilters Corner Saturday Sampler

Saturday Sampler Applique ~ Start date January 21st

The designs in our 2017 Saturday Sampler appliqué quilt are inspired by those found on vintage china. The petite, hexagon shaped blocks will include stylized flowers, birds and swirls in a modern palette (be sure to take a look at the inspiration fabrics when you visit the shop, as the colors will be pulled from the pieces). Each month you will receive block patterns and appliqué fabrics - you provide the background and setting pieces. Over the course of the year you will improve your appliqué skills, while creating this QC exclusive. Pre-registration is required for this program - please register as soon as possible, as spaces fill very quickly!

Fee: \$5.00 plus tax for your first kit (due when you register). You will receive your first kit at the first meeting. Bring your completed block to the second meeting for show and tell, and your next kit will be free! If you do not complete the block, or miss the meeting for any reason, your next kit will be \$5.00 plus tax.

Saturday Sampler Pieced ~ Northern Lights - Start date January 28th , second start date February 4th

This year we will make Marti Michell's Northern Lights during our pieced Saturday Sampler sessions. The 2017 kits will be offered in two different colors - blues of the sky or the colors of the Aurora borealis (shades of red, yellow, green, blue and violet - lots of batiks in this version). Working the 16" sampler blocks will help you refine your piecing skills. Your kits will contain block piecing fabrics, you provide background and setting fabrics.

Fee: \$5.00 plus tax for your first kit (due when you register). You will receive your first kit at the first meeting. Bring your completed block to the second meeting for show and tell, and your next block kit will be free! Do you ever need just the "right" bag for something? Consider a bag with three zippered interior compartments and more space for "stuff". So much fun to make, too! Different linings for each interior compartment, bag lining, and outside allow you to truly express yourself! If you sew and knit then you need at least two of them for your goodies.
