

Bel Canto

This music themed series will have you singing a very happy tune! Each month we will share a fabulous new quilt pattern (made with 2 ½" strips and setting fabrics). Each pattern includes full color instructions for four or five different quilt sizes, and better still, a portion of the instructions for the 110" x 110" Bel Canto quilt! You will go through lots of 2 ½" strips (a great way to use up the ones you might just have hidden away!) and have seven quilts at the end of the series!

Fee: \$20.00 to register and \$12.00 per session (or \$75.00 for the entire series). Bel Canto sessions will be held February 3, March 3, April 7, May 5 and June 2 at 12:30pm.

Cadence Court

Radiating designs are all the rage in the quilt world at the moment. Sassafra Lane was quick to notice the trend and design a stunning "block"-of-the-month. The fresh 60" x 60" quilt is composed of twenty-four foundation-pieced wedges (12 different designs, each repeated twice). The quilt can be worked in a rainbow, or more controlled palette - in either case it will be spectacular! We will hold four meetings for this quilt over the course of the coming year. The first will focus on fabric selection and technique, the subsequent sessions will cover individual quilt segments and setting details.

Fee: \$38.00 (includes pattern booklet and four sessions!) Sessions will be held February 3, May 5, July 7 and October 6 at 11:30am.

You will learn lots of different ways to accurately construct the half square triangles that make up the blocks and setting. Please select either traditional or contemporary fabrics for your kits when you register for the program (inspiration fabrics for the project may be seen in the shop). Your kits will include piecing fabrics, you will provide background and setting fabrics.

Saturday Sampler ~ Applique ~ Treasured Tiles

Begins ~ Saturday ~ January 20th at 9:00am

The appliqué blocks for our 2018 appliqué sampler are inspired by the tile designs Mary Beth first saw as a high school student in Mexico, and by traditional Moroccan tiles (which she hopes to see in Morocco some day!). The quilt is made up of thirteen appliqué 10" blocks, additional half blocks, and quarter blocks, all set in a tile-like arrangement. The colors for this year are a slightly brighter version of the rich reds, blues, greens and golds found in the traditional tiles. Your kits will include patterns and appliqué fabrics, you will provide background and setting fabrics.

Fee: \$5.00 plus tax for your first kit (paid when registering)

2017 QC Block-of-the-Month Show and Tell

Sunday ~ February 11th ~ 1:00pm

We hope you enjoyed our 2017 block-of-the-month programs. It seems the year flew by as we stitched! Now it's time to wrap up your stitching so you can show off your finished pieces (finished tops and completed quilts can both be shown). We always enjoy show and tell - it is interesting to see how different the quilts look when some start with the same kits. We share little gifts with those who show their work - we can't wait to see your creations!

Fee: free - pre-registration required by February 8th so gifts can be made for everyone!
