

Simple Whatnots

June 29, August 24 and September 28
Thursday ~ 10:30am or 7:00pm

Patterns by Kim Diehl are the centerpiece of this marvelous group. The intricate looking small quilts are made using modern techniques, yet shown in Kim's historic style prints. We are currently working our way through the series 6 quilts, and an additional project, her larger Journey's End sampler quilt. Each quilt is a challenge - one we willing accept so we can show off our efforts at the following meeting! New members are always welcome!
Fee: \$6.00 per session

Tiny Dresden Club

June 22, July 20, August 17 and September 21
Thursday ~ 7:00pm

"A Merry Christmas to You" continues to be the perfect project for this group. At each meeting they work on another section of the 45" x 48" Dresden Plate filled quilt. Designer Susan Marth structured the piece so it can be made as one piece, or as several smaller holiday quilts. You will learn to make the tiny Dresden Plate blocks and how to do the embroidery that accents them during the sessions.
Fee: \$8.00 per session

Stash Management

June 24, August 26 and September 23
Saturday ~ 10:15am

If you are reading this, chances are good you may have accumulated a decent amount of fabric and sewing related items over the years. It's ok, you are not alone, and we are here to help! Join us as we share organizational tips and tricks, stash busting project ideas and items made from our fabric collections (and a whole lot of laughter, too!). The info packed sessions well help use the wonderful items you have stashed away - some of those long hidden pieces might even inspire your next masterpiece!
Fee: just \$10.00 for all ten sessions in a series (*new series begins September 23rd*)

New - Table Runner Club

July 1 and September 9
Saturday ~ 12:00pm

The projects for this group come from "The Big Book of Table Runners". This extraordinary title includes instructions for 56 different runners and table toppers. Each month Barb will select a piece to share. She will cover the little details that will make your stitching more successful (in other words, she won't let you make the same mistakes she did!). Some months there will be guest teachers, and every month there will be show and tell and little surprises. Attend meetings and you will have the info needed to make wonderful pieces for you home and to make gifts for others.
Fee: \$5.00 per session

Sew-n-Love

July 12, August 2 and September 6
Wednesday ~ 11:00am-2:00pm

Our charity sewing group, "Sew-n-Love", continues their effort by stitching items for the needy in our area. This term they are focusing on helping "Baby Love Layettes" by sewing baby items (bibs, receiving blankets, diaper bags...) for women in need. This group accomplishes so much - your help would mean they could do even more!
Fee: \$10.00 per session

Christmas Club

June 21, July 19, August 16 and September 20
Wednesday ~ 10:30am

This year we are going to be ready for the holidays long before Christmas Eve! During each session of Christmas Club we share a project from our club text, "Baker's Dozen" (including quilts, table pieces, bags...) and several other projects that will make great gifts. We even share a little gift with members, making each meeting different, special and information packed. This really works. Each of us already has gifts completed!
Fee: \$5.00 per session

It's always fun to welcome a fabric collection that will appeal to a wide range of sewists. Bally Hall is that type of group, featuring gorgeous reproduction style prints with just enough of a fresh approach to entice those with more contemporary taste. The prints include a rather traditional small check, tiny floral, small medallions and an all-over floral. The shades of teal, sage and rose that tint the prints make them more of-the-moment. The entire collection feels very elegant and romantic, but if used separately and paired with solids, they could be part of a funky modern work.

Fabric: \$11.10 per yard
