Several months ago we discovered our favorite beginning quiltmaking book is no longer being published. After a bit of panic we found ourselves at a "Crossroads" (figuratively and literally). Our refreshed program features a new booklet and quilt project (Alex Anderson's 65 1/2" x 65 1/2", Crossroads!) and comprehensive, introductory instruction – everything you need to know to join the quiltmaker world! We will cover fabric selection, the tools needed, hand and machine piecing, quilting and finishing. Even if you have never touched a needle and thread, you'll feel right at home.

Fee: \$57.00 (*includes a \$14.95 book*)

Calling all book nerds! We have gotten an incredible collection for the bibliophiles out there, Literary. Windham produced this group which captures the essence of all the things we book lovers cherish; tons of overlapping text, a side view of all the pages of a novel, books piled haphazardly, all the book spines lined up and stacks of scattered library cards. Maureen made the mistake of asking her reading obsessed step daughter what she would like made from the fabric, and is now working on a backpack, pencil case, Kindle cover and pillowcases! I bet there is a book lover in your life who needs the same things! Fabric: \$11.30 per yard
