Dimensional Embroidered Wreath

Jane Zowacki

Skill Level: Intermediate

August 19 and 26

Saturday ~ 1:00pm – 3:00pm

Hand embroidery is very relaxing and creative. This elegant heart shaped wreath was stitched with stem stitch, lazy daisy stitch, and French knots which are the more common stitches. But, see how learning a few new stitches such as the leaf stitch, fern stitch, fly stitch and bullions will really make your embroidery dimensional and unusual. These stitches look hard but they really aren't - and with a little practice you can create your own work of art.

Fee: \$25.00

Lloyd Llama

Jill Whittaker

Skill Level: Intermediate

July 27

Thursday ~ 6:00pm – 9:00pm

Pauline McArthur, of “Funky Friends Factory”, has produced lots of quirky critters that are slightly out of the norm - like llamas and alpacas! Jill was thrilled to make this stuffy and can't wait to share him with you. This pattern is a little complicated (suitable for intermediate/adventurous beginner) but Jill likes a challenge. The final product is worth it! If you have doll-making experience, or have previously taken a class with Jill, Lloyd will be challenging, but worth every second you spend making him.

Fee: \$30.50 *(includes a \$12.99 book)*

Friday ~ 1:00pm – 4:00pm

Do you ever need just the “right” bag for something? Consider a bag with three zippered interior compartments and more space for “stuff”. So much fun to make, too! Different linings for each interior compartment, bag lining, and outside allow you to truly express yourself! If you sew and knit then you need at least two of them for your goodies.

Fee: \$30.00 *(includes a \$12.00 pattern)*
