

## Crazy Star Quilt

Renae Williams

*Skill Level: All*

July 1

Saturday ~ 1:00pm – 5:00pm

Let's Get Crazy! Choose twelve fat quarters in reds, whites and blues to begin your funky patriotic stars. In class you will design a star and learn how to transform it into a crazy star block. The twelve blocks will finish 27" x 36" - make them into a table runner or add borders for a one of a kind wall hanging.

Fee: \$25.00

New bolts of Kaffe have arrived - approximately twenty new bolts, actually. There are pieces you would expect to see from The Kaffe Collective, including some seriously funky birds, super over-sized florals and wonky chevrons. There are also a few new prints you can work right into your collection even if you don't use as much Kaffe as we do, like the smaller scale polka dots. The prints are offered in bright, cheerful colors that will add pizzazz to your next project.

Fabric: \$11.30 to \$12.00 per yard

## Gypsy Flower

Darlene Kalimon

*Skill Level: All*

August 25

Friday ~ 12:00pm – 3:00pm

Why does Darlene quilt? For the creative outlet it offers. When she touches the fabric it's as if she can feel the colors. She usually begins a quilt by choosing the fabric, then the pattern. Darlene loves her stash! Her goal in making a quilt is to enjoy the process of choosing the fabric, the geometry of the pattern, the cutting and the sewing. Now while you think about why you quilt, let's make a flower garden of very large flowers. You will use lots of different fabrics for the hexagon petals that make the flowers. The centers will be embellished with several different techniques Darlene has been wanting to try for sometime. To aid you in cutting the hexagons, you will use Missouri Stars 10" hexagon template. No water needed in growing this glorious garden!

Fee: \$20.00

## Sew Buzzy

Jill Whittaker

*Skill Level: All*

August 4

Friday ~ 1:30pm – 3:30pm

These adorable bees are yet another "stuffy" from Melanie McNiece of "Melly and Me Designs" Jill is so "buzzed" by these little guys, she can't wait to share them with you. Simple construction makes them quick and easy. Multiple bees make a cute decorative accessory for the nursery!

Fee: \$19.50 (includes a \$5.50 pattern)
